"Scenes of Yesterday"

I wandered through the hallways of my mind and looked into the rooms of memory. I saw the many scenes of yesterday and wondered how they shaped my destiny. Some rooms were filled with laughter and with mirth, the colors bright, and music fill the air. Some rooms were dark, but straining. I could see the tearful faces, filled with deep despair.

And then the LANDLORD came and bid me stay and dwell within the rooms that I should choose. The future days depend upon my choice of rooms, now waiting there for me to use. Why should I linger in the darkened rooms? Enough of them! They had their day, and so I'll dwell within the joy-filled memories that give my light of life an added glow.
