The Bible Says:

"All scripture is given by inspiration of God, and is profitable
For doctrine, for reproof, for correction
For instruction in righteousness." II Timothy 3:15

But That's Not All!!

God GAVE us the Bible--His love letter to us.

God could have left us without the Bible; and we would not know where we came from, what we are doing here, where we are going...or how to get there.

But GOD used many different people over a period of some 1,500 years to write down His thoughts and His direction for our lives.

Since He GAVE it to us, don't you think we ought to take time each day to read it? And, perhaps, get together with others to really find out what it has to say for us today.
