The Seeds of God

Everything has its season in order for new growth.
One day the beauty will be seen from the seeds that God has sown.

For our lives are like a garden, the planting of the Lord.
Sun and rain combine to bring a bountiful reward.

For seeds need God's nature in order to produce
A beautiful, fragrant garden ready for kingdom use.

At times, God needs to weed out ungodly things in us.
So nothing will come to threaten the sowing within that He does.

As we grow to our potential in what God's given us,
We will be more effective in the spreading of His love.

And as we spread this seed of His love to other lives,
We will reap a mighty harvest of souls for Jesus Christ.

Our lives forever changed from what it was before,
The beauty produced in our lives is the reflection of the Lord.
