God Bless America

*America the beautiful; may it always stay that way-
But to keep "Old Glory" flying, there's a price we must pay.
For everything worth having demands work and sacrifice.
Freedom's a gift from God that commands the highest price.
For all our wealth and progress are as worthless as can be
Without the faith that made us great and kept our country free.
Nor can our nation hope to live unto itself alone,
For our neighbors' problems must today become our own.
So in these times of crisis, let us offer no resistance
In giving help to those who need our strength and assistance;
And the stars and stripes forever will remain a symbol of a rich and
mighty nation built on faith, truth and love.*
