### Time Passes Quickly

There is nothing we can do about time except to see that, as far as possible, it passes fruitfully. If in passing it lays up its store of good deeds done, noble ambitions clung to heroically, and kindness and sympathy scattered with a lavish hand, there will always be given to it a permanence and enduring quality that nothing can take away.

Take time to look; it is the price of success.

Take time to think; it is a source of power.

Take time to play; it is the secret of perennial youth.

Take time to read; it is the source of wisdom.

Take time to be friendly; it is the way to hapiness.

Take time to laugh; it is the music of the soul.

Are you in earnest? Seize this very minute: What you can do, or dream you can, begin it; Boldness has genius, power, and magic in it. Only engage and the mind grows heated; Begin and then the work will be completed.
