### Beautiful, Beautiful Snow by Nelle Hardgrove

A winter world's a soft white world of drifts and glistening flakes and boughs and overhangings high and sculptured pristine lakes. And often in this magnitude of soft white driven snow are footprints small, belonging to some creature on the go, who stood and smelled the clear crisp air then tracked upon his way...excited by the wonderworld that held the land in sway.

O winter world, O soft white world, in you I see God's thoughts, and feel that He created you for those He loves so much.

A promise too is there ahead, for when the snow has gon, Hell leave His springtime work for us to love and look upon!
