### What Can I Bring?

How can I praise Him? What can He want from me--  
He, who but did speak to make the land and sea?  
Is there not something that He could not create,  
Some gift to bring Him? Why do I hesitate?  
I can bring Him love, for this is born of choice,  
No robot speaking, however clear the voice,  
Responds in true love, for its design is set,  
Love acts in freedom, chancing joy or regret,  
This gift I bring them, my praise that springs from love,  
Rising up on wings of prayer to God above.
